## Why?

- For men to take prayer responsibility as watchmen appointed by God.
- For men to understand their times and know what to do. 1 Chron.12:32.
- For men to pray for spiritual revival and awakening.

## What is the focus?

- ✓ Fatherhood & Families
- ✓ Discipling of people
- ✓ The church and revival
- ✓ Watchmen over the nation
- ✓ Salvation of unsaved

## How does it work?

- Groups of 3-7 men, each praying daily for 5-10 minutes.
- Daily prayer pointers will be provided.
- Establish a WhatsApp group - check in every day as soon as you have finished your prayer time. Each person responds with a ✓ when he finishes his prayer time.
- Connecting weekly as a group (if and where possible) with each other for accountability and encouragement.
- Each group or member in the group, begins to work towards establishing his own new group. Individuals can stay in their own group while starting a new one. This way you will be involved in only two groups at a time. Or you can eventually leave your existing group and continue with the new one that you have established.
- As soon as you have established a new group of at least 3 people, appoint a leader and send his 1) Name and Surname, 2) Mobile number and 3) Email address to: [menpray37@gmail.com](mailto:menpray37@gmail.com) or a WhatsApp to +27-66-217-0111.
- Only 2 things may be posted on the WhatsApp group by group members:
  - a) Group members are encouraged to post not more than ONE prayer request a day.
  - b) Your personal confirmation ✓ when you finish your prayer time.
- Pray together as network on a Zoom meeting or connect via Facebook once a month for 40 minutes on the last Tuesday evening at 20:00 – 21:00.
