Dear Friends

Seasons change – Transition and changes at Jericho Walls International Prayer Network

All organisations go through changes as circumstances change. Our ministry is currently undergoing such a season of change, impacting various focus areas of the work for the future.

After 27 years, I will step down as Managing Director of Jericho Walls on July 31st, 2021. I will still be involved in mobilising and writing on prayer, the Men@Prayer Initiative, as well as a "few" other things. And no, I am definitely not retiring.

Jericho Walls International Prayer Network will continue as a ministry under the new leadership of Daniël Brink. Daniël has been part of Jericho Walls for the past 22 years and I believe God has prepared him to take the work forward. Daniël will be the new Managing Director and leader from 1 August 2021. I have the utmost trust in Daniël. God prepared and uniquely equipped him "for a time like this."

On August 1st, 2021, the Jericho Walls head office will relocate to Cape Town. We trust that the transition process will have been completed by July 31st, 2021.

This transition will result in certain facets of the ministry work of Jericho Walls coming to an end. One such example is the Jericho Walls Prayer Guide, which has been in existence for 27 years. The November 2021 issue will be the final one. The Jericho Walls Prayer App will continue to provide daily prayer guidelines in a new format.

We want to sincerely thank you for your support all these years – through your prayers, phone calls, text messages, and financial contributions. At Jericho Walls, we deeply appreciate the tens of thousands of friends and "pray-ers" who walked with us through the past 27 years and who allowed us to walk and pray with them.

This is not the end of the road in calling the local church and our nation to prayer. This "prayer-walk", I trust, will continue. There is a lot more work to be done.

I am asking you to continue to support Daniël and the team as they take the work forward. They will continue to need as much prayer and support as in the past.

May we all have our eyes fixed on Jesus – the Author and Finisher of our faith.

Dear Friends,

Seasons of Change...

Change is not always easy, but in many cases inevitable. At Jericho Walls International Prayer Network, such a season of change has come when our current Managing Director, Bennie Mostert, decided to step down on July 31st, 2021.

Bennie has been serving the Body of Christ in calling the Church to prayer for more than 27 years. As the founder of Jericho Walls International Prayer Network, the Lord has used him in building a network of prayer that stretches beyond the borders of South Africa. His ministry has opened many doors for international prayer connections, and he represented South Africa in various global prayer initiatives over the years. Bennie gave strategic leadership with a passionate heart for revival and unity in the Body of Christ, not only in South Africa but across the nations. He has been a mentor to many young leaders in ministry, always nudging us all towards a walk of holiness and utmost integrity.

We pray that the same grace that kept Bennie, will continue to keep us as we continue in the race set before us all. (Ephesians 1:18).

The Way Forward...

The new leadership will continue in the core vision of Jericho Walls – The Church as a House of Prayer for all Nations. The strong focus on establishing sustainable 24/7 works of prayer in every community across South Africa as well as every nation in Africa, will remain.

There has been a significant increase in the number of local prayer networks that were established, especially over the lockdown period in 2020. We will continue to search for more ways to mobilise the youth and prayer for the unsaved peoples of the world.

We also envision developing and broadening our digital footprint, including social media and other electronic platforms. Intensified, continuous prayer is and will remain the birthing place of the greater works of the Holy Spirit.

Thank you to everyone who has faithfully prayed with and supported us over the years. *"See, I have this day set you over the nations and over kingdoms, to root out and to pull down, to destroy and to throw down, to build and to plant."* (Jeremiah 1:10).

May God be gracious to us.
