

FELLOWSHIP WITH GOD

Linger in God's presence, and speak *affectionately* (intermittently saying to God, "I love You") speak *slowly* (not rapid fire), speak *softly* (not shouting at the indwelling Spirit), speak *briefly* (short phrases not paragraphs, even reducing phrases to one word) and speak *minimally* (listening twice as much as talking) with many *pauses*, *praying with your spirit* (1 Cor 14:2) along with gently *sighing* (Rom 8:26), *gazing in silence* for a few seconds or minutes.

JOURNAL: Take time to record the thoughts and prayers He gives you.
