

UPDATE: WEEK 7 - 2023

13 – 19 November

Dying Daily

Praise God for everyone who participated in the recent 24-7 Prayer Week, called *Dying Daily!*

More than 90 networks, ministries and churches from 17 countries across Africa participated, with new groups in Burundi, Uganda, Zambia, Namibia and Mozambique.

Our prayer guidelines had a strong focus on the persecution of Christians across the Middle East. Each day also included an example of someone who did not love their life more than Christ, but rather paid the ultimate price for His name's sake.

I want to thank *Open Doors Southern Africa* who partnered with us during this week and committed their own 24-7 group to pray with us.

This was our last special week of 24-7 prayer for 2023, but please diarise the [7 Weeks 2024](#) now so that you can start planning early.

Let us remain fervent in prayer. He shall answer...

Yours in Christ,

Daniël Brink
