

UPDATE: WEEK 1 - 2024

5 – 11 February

Transformed Communities

What a blessed first week of 24-7 Prayer we had in the first half of February! We thank God for every intercessor who participated in praying for their communities.

Our focus was around a transformed community filled with people loving Jesus and loving their neighbours. We praise God for testimonies received of job creation, business breakthrough, salvation of individuals, etc. during this time of special 24-7 prayer. We also prayed for people in the Buddhist world to come to salvation in Jesus as their Lord.

It always amazes me how the Lord adds people from so many countries and languages to this initiative. More than 120 networks, ministries and churches from 23 countries participated, including 7 from Uganda and Namibia respectively. Five Portuguese groups from Mozambique, Angola and Portugal registered for the first time!

This was the first of 7 special prayer weeks scheduled for this year. Week 2 of 24-7 prayer, themed 'Beholding the Cross', will be held 25 - 31 March. Please see the dates for the rest of 2024 [here](#). You can register for any of the upcoming prayer weeks by [completing this form](#).

Thank you for your continued involvement in praying for revival among the nations.

Yours in Christ,

Daniël Brink
