

UPDATE: WEEK 4 - 2024

10 – 16 June

Theme: Shooting Arrows

Week 4 of our 7 weeks of special 24-7 prayer is always close to our hearts and close to our Father's heart, as it is dedicated to praying for the youth.

During June, intercessors from more than 100 groups from 20 nations across Africa, Europe and the Middle East participated in Week 4, including Belgium, Switzerland and Pakistan. We focused on the hearts of the fathers and children to turn towards one another (Malachi 4:6).

Thank you to everyone who participated. We trust our God to bring restoration to family relationships and heal those who have been wounded by loved ones.

Don't miss Week 5 of 24-7 prayer, themed 'Reaching Cities/ Reaching Nations', to be held 5 – 11 August. Our prayers will focus on revival in our own cities and those least reached with the Gospel.
