

## **UPDATE: WEEK 5 - 2024**

**5 – 11 August**

### **Theme: Reaching cities**

Thank you to everyone who participated in the special Week 5 of 24-7 prayer, called *Reaching Cities*. As we move towards our vision for 2033 to have at least one established 24-7 Prayer Watch in every nation praying for revival, we thank God for four countries that joined for the first time (Finland, Ukraine, Kazakhstan and Brazil).

Our theme for Week 6, 23-29 September, will be *Our Daily Bread*, focusing on finishing the task of Bible translation into every language around the world.

Please [register](#) for any of the remaining 24-7 prayer weeks of 2024. If you want to be more involved in prayer, please [complete this form](#).

May the blessings of the Lord rest on you day and night, and may you follow Jesus' command to always pray and not lose heart (Luke 18:1).

Yours in Christ,

**Daniël Brink**
