Our God Report 2026

JERICHO WALLS
INTERNATIONAL PRAYER NETWORK

Celebrating continued growth

A great thank you to every local congregation and 24-7 prayer ministry who partnered with us throughout 2026, praying night and day for revival among the nations. Join us in giving thanks and praise to the Lord for all He has done this year!

3rd Africa Regional Prayer Council – May

In May 2026, delegates from **27 African nations and five other countries** gathered for the third *Africa International Prayer Connect (AIPC)* summit under the theme *"His Name Shall Be Great Among the Nations"*. I was greatly blessed by the testimony of an upcoming leader from Kenya. He now leads a group of young adults from his church, praying every morning on Zoom from 3:00-5:00 am!

Delegates were encouraged and challenged by a quote from the late Dick Eastman: ***"The degree to which prayer is mobilised is the degree to which the world will be evangelised!"*** Read the full report in *Gateway News*: https://gatewaynews.co.za/africa-and-world-unite-at-international-prayer-conference-in-stellenbosch/

Africa 24-7 Prayer Summit – August

As we look back on the *Africa 24-7 Prayer Summit* this year, some of the moments we experienced together were truly unforgettable. On the second and third evenings, after the closing prayer, nobody wanted to leave! For almost 40 minutes, the entire gathering remained in complete silence before the Lord. Only eternity will reveal what God did in those precious moments.

Since the Summit, we have already received deeply moving testimonies of healing, freedom and renewed strength. One testimony spoke of deep inner healing. Another couple shared how decades-old yokes were broken as they processed profound trauma before the Lord. They were wonderfully refreshed in their relationship with Him. Another reason to rejoice: NINE people indicated a commitment to establish NEW 24-7 prayer watches! Nine potential new watches

from this small gathering. What an encouraging sign of **God's continued work and multiplication!**

East Africa Regional Prayer Connect – September

Delegates from East Africa gathered in Dar Es Salaam for a time of prayer and testimony of what God is doing concerning prayer in this region. I was so encouraged when I met a Bishop from Rwanda who brought three leaders to the conference. A month later she shared how the Lord had led her to start a *24-7 Prayer Watch* in each province of Rwanda! **Slowly but surely, God is raising up day-and-night prayer, one nation at a time!**

Hong Kong – November

I felt humbled to have met a group of **twenty young adults** who recently came to know the Lord Jesus in this nation. They are now the only believers in their families. Many in the East are finding Christ for the first time. Their simple faith touched me deeply. Currently, they are part of a church that focuses on training new believers in how to meditate on and study the Word. During the Sunday morning service, ten minutes are set aside for each of them to meditate on and memorise a verse from the Bible. The church service is conducted mainly by young people. Such a contagious hunger for the Word!

The impact of prayer on Bible Translation

This year, Bible translation sustained the remarkable pace of progress of 2025. On average, **every 3.7 days** a language community received a complete Bible or at least a New Testament, and for the first time, more than 800 languages now have a complete Bible translation!

Five years ago, nearly 1,900 languages were still waiting for translation work to begin. **Today, that number has dropped to about 500!** At *The Word For The World*, the number of active translation projects keeps growing and is now nearing 500. **This is a work of the Lord alone!**

Among the Deaf, translation is now underway in around 249 of the world's 383 sign languages. Only one has a full Bible so far, but many others are receiving increasing portions of Scripture. Keep praying that this momentum continues until every deaf community can engage with His Word!

Millions praying for world evangelisation

We are witnessing a beautiful and growing spirit of collaboration among Christian ministries and networks. The *International Prayer Connect* is one wonderful example, helping to unite prayer networks across the globe. Under this banner, **five Global Days of Prayer** continued through 2026, drawing thousands of believers worldwide to pray for the salvation of people from Buddhist, Muslim, Jewish and Hindu backgrounds, as well as for revival in the Church. We are excited to also share the dates for the upcoming five Global Days of Prayer in 2027!

New global connections

We thank the Lord for His favour in connecting us with prayer movements and networks across the world such as the *International Prayer Connect*, the *10 Days Movement*, numerous regional networks, *Campus Crusade for Christ*, various Bible translation ministries, *Open Doors*, the *National Prayer Network of Indonesia* and many others. Please continue to pray for partnerships with more networks to be established and grow in their capacity for 24-7 prayer.

7 Days on the Wall 2026

The vision towards 2033 is becoming clearer! The *7 Days on the Wall* initiative, launched at the World Prayer Assembly in Indonesia in 2012, continues to inspire congregations globally to dedicate at least one week each year **to pray day and night for revival among the nations.**

Since January 2013, this wave of prayer has spread from South Africa to **50 nations** across every continent! In addition to **60 Prayer Ministries** faithfully praying 24-7 on a weekly basis throughout the year, we also have **7 special prayer weeks** every year with more than **120 ministries** participating globally.

During these weeks, we have special prayer focuses and invite groups and nations to join together as one mighty army in united prayer! The momentum has increased dramatically, from 480 registered prayer weeks in 2013 to **over 3,500 in 2026.** In Cape Town alone, **12 ongoing 24-7 Prayer Watches** continue to lift the nations before the Lord.

You can **REGISTER NOW** for one or more of the upcoming ***7 Weeks*** in 2027!

Looking toward 2027 with expectation

We are looking forward to hosting the "Global 24-7 Prayer Summit" in Herrnhut, Germany, during the second half of 2027. This will be a special gathering to celebrate 300 years since the "Moravian Pentecost" in August 1727. **Watch the incredible story of the Moravians.**

Mobilising the global Church into 24-7 prayer is far bigger than the effort of one ministry. That is why collaboration remains one of our greatest strengths, and we will continue to grow strategic relationships in 2027.

Together with our global partners, we will continue to network, partner and serve alongside local and international organisations as we pursue 24-7 prayer for the salvation of all nations.

Journey towards 2033

Moving towards 2033, we are trusting the Lord to raise up 10,000 watchmen to pray daily for 200 nations during 2033! This means that 48 watchmen adopt one country for one hour daily, praying two by two like the Moravians.

Prayer Focus for 2033:
- REVIVAL in the Church
- SALVATION of all nations
- RETURN of Jesus Christ

We trust the Lord to raise up strong, sustainable 24-7 Prayer Ministries in, and for, every nation by 2033. Thank you for standing with us in prayer and partnership on this journey!

With gratitude and in His grace,

Daniël & Estell Brink
(Daniël is the MD of Jericho Walls International Prayer Network)
